

Report of GAT, to District Cabinet 27-D1
August 3, 2024

The members of the GAT team have held regular meetings. We held four leadership workshops for new and current leaders from our District's clubs:

June 3	DeForest
June 5	Platteville
June 6	Albany
June 8	Monona

136 Lions attended. Overall, we heard positive feedback from Lions.

The Team has updated the Zone Chair handbook, which was distributed at the Zone Chair session earlier today. The updates reflect the new DG and District Leaders, contact information and important dates.

We are planning for Regional meetings in October for the Zones:

Zones 5 & 6 on Wednesday, October 23
Zones 3 & 4 on Thursday, October 24
Zones 1 & 2 on Monday, October 28

Locations have yet to be determined. We will issue details later this Fall.

Also, PCC Jodi Burmester has been appointed to the Cabinet position of Global Extension Team Coordinator.

Regards,

PDG Bill Clausius
