

USA/CANADA LIONS LEADERSHIP FORUM

The 2024 Forum was held in Louisville, KY from September from September 5-7. Speed Learning was first on Thursday morning. During a 2-hour window, you could choose 8 topics of the 13 offered. These topics were geared for the needs of our clubs.

Over 100 topics were covered. The most popular were standing room only with seating for 240 and 300 attendees. The attendance for the forum was 1917, and Wisconsin was well represented with 85 Lions.

Next up is the 2025 Forum in Atlantic City, New Jersey on September 18-20. Wonderful seminars will be available, but Saturday evening banquet will be our very own BJ Blahnik and Leader Dog Jackson.

Plan to attend the forum now. Register today at www.lionsforum.org
